# EVERY SEAT

## IS A GENTLE RESPONSE TO YOUR BODY

# The Modern Lounge Office

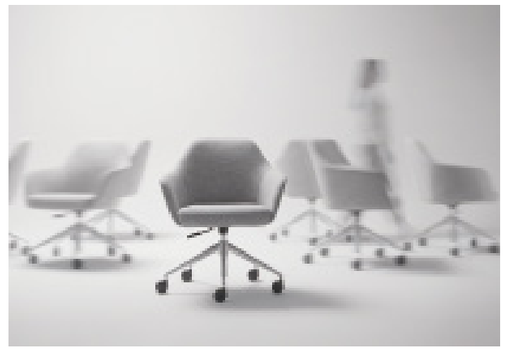

Furniture today plays a quiet but essential role in this shift. It is no longer just about providing a place to sit, but about shaping how people gather, communicate and feel within a space. Each piece becomes part of a larger environment that balances productivity with comfort, and structure with ease.

Designed for contemporary offices, hospitality settings and collaborative environments, this collection reflects a new understanding of space—where people come first, and design exists to support the rhythm of modern living and working.

## DESIGNED FOR
THE WAY PEOPLE GATHER

ABOUT

Wo Ru Furniture Co., Ltd. is a manufacturing factory, we focusing on the manufacture and sale of modern classic furniture. The technical master with professional process technology is the unique advantage of the factory.

Meanwhile, our company introduced the Italian craft structure technology and obtained the Italian Infiniti Company authorized our company to produce soft furniture series, product quality is more guaranteed. We mainly provide catering, hotels, bookstores, and office furniture. The sales network is distributed all over the country and exported to the United States, Australia and Southeast Asia markets.

Wo Ru Furniture always adheres to the essence and mission of the enterprise with quality and safety, and strives to make people enjoy the poetry of life with well-made products.

# ARMO SERIES

## 休闲办公椅系列

Comfort is more than a feeling—it is lasting support that keeps both body and performance at their best.

舒适不仅是一种感受，更像是一种长期陪伴，让身体保持轻松状态，帮助工作表现持续在线。

## THE BEAUTY OF EVERYDAY SPACES

Workplaces should inspire as much as they function. Soft colors, clean lines, and natural light create environments filled with calm, warmth, and character, transforming everyday work into a more enjoyable experience.

## COMFORT INSPIRES CREATIVITY

Every great idea begins in an environment where both body and mind feel at ease. Ergonomic design reduces fatigue during long hours of work, helping maintain focus while creating the freedom for creativity to grow naturally.

# GRACE SERIES

## 优雅系列

A quality chair prioritizes bodily comfort, fitting your body gently to release pressure and make every working moment relaxed.

好的座椅从不将就体感，以贴合身形的温柔包裹，卸下身体重压，让每一段办公时光都自在舒展。

Let Comfort Shape the Way You Work
Modern work is no longer just about getting things done. It is about creating a balance between productivity, well-being, and everyday life. A thoughtfully designed chair supports the body while freeing the mind, allowing focus to last longer and ideas to flow naturally. From the first light of the morning to the final task of the day, every seat becomes a seamless connection between work and life.

The best workplaces do more than support productivity—they respond to people. Soft materials, refined comfort, and clean design come together to create an environment where creativity grows, collaboration feels effortless, and every moment at work becomes more enjoyable.
